Sources & Uses and IFRS-Exemption and Waiver Classifications

Moderators: Paul Turcotte, Program Director, THECB
Christine Blakney, Director of Student Business Services, Texas Tech

Did you experience exemption and waiver reconciliation issues with Sources & Uses and/or IFRS? Take this opportunity to share your concerns and ideas with Paul and to hear about the progress that has occurred through the collaborative effort between his team and the institutions.

Thirty Hour Limit – What is the impact of transferred hours?

Moderator: Bob Piwonka, Executive Director for Student Business Services, TAMU

Many schools charge increased tuition for unfunded excess hours. This discussion will raise awareness of how students are being impacted by extraordinary community college hour transfers and the appeals that institutions are receiving from their students.

Other Discussions (as time allows)

- **DoD MOU** – Keeping a watchful eye until it is finalized
- **Texas Tuition Promise Fund** – Linda Fernandez advises that there will be more information and webinar's as the first disbursement date approaches later this year.
