## Level 3

### J.P.Morgan

J.P. Morgan has been a long standing business specialist supporting higher education institutions for more than 25 years. We are a leading provider of banking and cash management solutions, helping institutions of higher education reduce costs, streamline cash flow and provide students, faculty, staff and vendors with greater convenience.

PFM Asset Management LLC (PFMAM) is a leading provider of independent investment advisory services to governments, not-for-profit organizations, corporations, pension funds, and other institutional investors. Managing assets since 1980, PFMAM is a leading money manager in the U.S. (#44 out of 687 managers ranked by all U.S. institutional tax-exempt assets managed internally according to Pension & Investments May 2012 survey of the largest money managers), with over \$91.8 billion in assets under management as of December 31, 2013. Since its inception, PFMAM has been known for its tradition of thoughtful innovation combined with an abiding dedication to preserving client capital.

For quality-focused Educational institutions, SSC is the premium provider of support services. With over 40 years of industry experience and highly trained skilled professionals, we specialize in enhancing learning environments through exceptional Custodial & Campus Services, Plant Operations & Maintenance, and Grounds Management. Our goal is to provide you with the highest standard of customer service and measureable, consistent quality while serving as the best stewards of your employees, staff, and students. ## Level 2

Higher One partners with colleges and universities to lower their administrative costs and to improve graduation rates. Our Campus Labs® Enterprise suite brings data together in one centralized location for campus-wide insight into assessment, accreditation, retention and campus involvement. Additionally, we provide a broad array of payment and refund disbursement tools to help institutions save money and enhance institutional effectiveness. For students, we offer financial literacy programs and convenient, flexible and affordable transaction options to help them manage their finances. Higher One is a leader in higher education and supports over 13 million students at more than 1,600 campuses nationwide. [www.higherone.com](http://www.higherone.com).

## Level 1

ARAMARK provides a wide range of food, conference center, facility and other support services to over 600 colleges and universities in the U.S. ARAMARK offers higher education institutions a single source for the development of dining and facility management solutions. Dining Services: master planning; culinary development and venue design; catering; and residential, quick-serve, and express dining concepts. Facility Services: facilities maintenance; custodial; grounds; energy management; capital project management; and building commissioning. ARAMARK combines a goal-oriented focus with innovation and expertise, to deliver superior results in the areas that matter most to our clients and customers. Visit <http://www.aramarkhighered.com> for more information.

Balfour Beatty Campus Solutions provides investment, development, construction and operations services to colleges and universities. Through Balfour Beatty's highly successful Public-Private Partnership (PPP/P3) model, higher education institutions are able to bridge the gap between necessary capital building and renovation plans and the resources needed to execute those plans – whether for administrative space, academic buildings, laboratories, athletic facilities, wellness centers or student housing.

## Level 1

TexPool is the oldest and largest local government investment pool serving over 2200 participants. Both TexPool and TexPool Prime operate under the guidelines of the Texas Public Funds Investment Act (TPFIA) and under the supervision of the Texas Comptroller of Public Accounts. Rated AAAM by Standard and Poor's, the funds are managed by Federated Investors.

TouchNet is a pioneer in delivering innovative commerce solutions to Higher Education. Since 1989, colleges and universities have relied on TouchNet to unify and secure commerce transactions throughout the campus enterprise. Today, TouchNet® U.Commerce® is the premier commerce management system for Higher Education. It's everything institutions need to gain greater control over transactions, costs, compliance, and operational efficiencies, while maintaining control over key constituent relationships. U.Commerce enables colleges and universities to save, make, and manage money better than ever before, even in today's tough economic conditions. TouchNet U.Commerce is "Everywhere Money Moves™."

Workday is a leading provider of enterprise cloud applications for human resources and finance. Founded in 2005, Workday delivers human capital management, financial management, and analytics applications designed for the world's largest organizations. Hundreds of companies, ranging from medium-sized businesses to Fortune 50 enterprises, have selected Workday.

Workday is teaming up with higher education's top institutions in a unique Design Partner program to create Workday Student—the only higher education-focused application built in this century and designed for today's mobile generation.
